Message From Minister of Youth and Sports

A warm welcome to all riders, officials and supporters gathered for the 2025 edition of Le Tour de Langkawi (LTdL) - Malaysia's premier cycling event and one of Asia's most prestigious stage races.

Cycling is a great way to stay active and keep fit, which the Government supports through a RM1,000 tax relief for training fees and purchase of sports equipment which also extends to individuals, spouse, children and parents.

The Ministry of Youth and Sports remains firmly committed to developing cycling as a core sport under our national sports development agenda from grassroots initiatives to elite training pathways. LTdL serves not only as a platform for athletic achievement but as a catalyst for youth participation, tourism and community engagement in Malaysia.

My appreciation to the organising team, race officials, volunteers and support staff whose tireless efforts make this event possible. I am also grateful to our sponsors and partners, whose support is instrumental in elevating LTdL to global standards.

We welcome all riders to Malaysia. May your journey across our breathtaking landscapes be captivating and memorable. Ride safe, ride strong and thank you for being part of this celebration of endurance and excellence.

Selamat datang and terima kasih!

HANNAH YEOH
Minister of Youth and Sports

Message From UCI President

DEAR cycling enthusiasts, organisers, and fans,
I extend my warm greetings to all participants, teams, and supporters of the Petronas Le Tour de Langkawi, taking place this year from 28 September to 5 October. This world-class event will once again showcase the excitement and intrigue of competitive cycling, and at the same time shine a spotlight on Malaysia's breathtaking landscapes.

The Tour de Langkawi has been a major fixture of Asian road cycling since its inception in 1996 and is now part of the prestigious UCI ProSeries. It continues to be a vibrant showcase for both Elite riders and emerging talents thanks to the participation of UCI WorldTeams, UCI ProTeams and UCI Continental Teams.

The UCI is committed to promoting the growth of cycling at every level, and events like the Petronas Le Tour de Langkawi play a vital role in expanding the sport's reach, fostering international collaboration, and inspiring future generations of riders.

I congratulate the Malaysian National Cycling Federation (MNCF) under the leadership of Dato' Amarjit Singh Gill, who is also the President of Asian Cycling Confederation (ACC), for his continuous work to develop the sport of cycling. I would also like to commend the event organisers, sponsors, and volunteers for their tireless efforts in ensuring a superb experience for everyone coming to Malaysia for the Petronas Le Tour de Langkawi.

In closing, I wish all the best to the athletes for a successful and memorable event, and to the spectators whose enthusiasm will fuel them along the roads of Langkawi.

Yet another exhilarating race awaits!
